### Call DHS at 202-401-1474

Sample Script:

“I am horrified and opposed to Homeland Security’s policy of separating parents from children in immigration and asylum-seeking situations: In any situation. This is a civil rights and human rights violation. It is cruel and does not serve as a deterrent. It is state sponsored terrorism directed at people in dire situations who are fleeing extreme poverty and violence. As a voter and United States citizen I am ashamed of my country doing this and I want a letter back on how I can make this stop ASAP. Thank you.”
