Guardian Angels sponsors a retreat "Your Afterlife Bucket-List" with Fr. Nathan Castle, former Pastor of ASU and Stanford Newman Center. We played games, Santa came for a visit and Pastor Sue hawked Fr. Nathan's book. Along with the Angels, former parishioners of Fr. Nathan were also in attendance. Everyone agreed that it was a very nourishing retreat and we cannot wait to have Fr. Nathan back again for a retreat all about "Guardian Angels!"

One of Guardian Angels' favorite mass of the year is our Blessing of the Animals...all creatures great & small...around or on the Feast of St. Francis. We welcome pets to attend mass with their people, we encourage people who cannot bring their pet to bring pictures for a blessing and we also have pictures of endangered species from around the world that we also bless.

This is a very popular mass for our "Angel Kids" and it brings out the "kid" in all of us! See below...the puppy is even praying with us!

This month we are collecting diapers for Matthew's Crossing Food Bank. They specifically need sizes 3, 4, 5, & 6. You can give your donations to Nancy & Ken
